Last Updated 4/6/2018

Also see our *Things To Do* section in this guidebook. The following list of businesses is meant to be a starting point. Most are either our guest favorites, or have been around for years. It certainly is not an all inclusive list. We are not associated with any of the businesses and we do not "endorse" them, but provide their names as a convenience for our guests. You may also want to check out some of the following web sites for additional information about Rincon and surrounding areas: [www.elcoquiofrincon.com](http://www.elcoquiofrincon.com) , [www.rincon.org](http://www.rincon.org) , [www.elyunque.com](http://www.elyunque.com), [www.rincon-pr.com](http://www.rincon-pr.com), [www.puertorico.com](http://www.puertorico.com) and [www.seepuertorico.com](http://www.seepuertorico.com). It is always a good idea to call to make sure they are still open, and check the hours of operation, get directions, etc.
